

# Two Pricing Options One Affordable Solution

## Option One: Per User

- One time \$750 setup fee
- One user: \$150/month  
- \$75/month for each additional user
- Add or remove users on a monthly basis, no annual contract required

## Option Two: Per Closing

- One time \$750 setup fee
- Includes unlimited users and our document scanning/storage feature
- \$25/closed file\* (you are never charged for canceled orders)  
\* Subject to a minimum monthly invoice of \$100

## Both options include the following key features and benefits:

### Concierge On-boarding Services:

One of our highly trained Customer Success Managers will work with you through training and configuration of your software to ensure a seamless and easy transition.

### Customize Your Closing Disclosure, for Each Lender:

Easy lender templates **SAVE TIME** and eliminate redundant data entry.

### Partner Integrations:

Integrate your E-Closing account to: generate CPLs and jackets, e-record documents, print shipping labels, automate electronic daily reconciliations.

### Automatic Updates:

Never again will you have to download and install burdensome software updates. E-Closing updates are done automatically for you.

### Customer Support:

Personal, friendly, fast and convenient are a few of the ways our clients have described our customer support. We hope to be able to extend this level of service to you and your office.

### Secure Closing Portal:

Provide real-time status updates by text or secure communication through our Closing Portal. Drastically reduce email and the threat it poses to your business and clients.
