

What We Can Do for You

Understanding your needs sets us apart.

Old Republic Specialized Agency Solutions (ORSAS) provides title agents a single source to streamline:

- Title Search Production for Residential, Commercial and Default Properties
- Quality Control, Examination and Results Presentation
- Abstractor Management and Administration
- Document Recording

Dedicated Relationship Managers

Experience and relationships make all the difference. We understand the pressures you are under, because we have faced the same issues and are committed to working with you to provide hassle-free closings.

Communication

We are committed to respond in a prompt and friendly manner. We are prepared to receive your inquiries and let you return to work, while we find the answers you need.

Teamwork: Getting Your Deals Closed

Happy customers are repeat customers and great referral sources. From timely pre-closing updates, to helpful document recording specialists, we understand your need to exceed your clients' expectations.

Workflow Integration

Increased efficiency will help you spend more time focused on managing your agency. Our integration and compatibility with industry-leading title and settlement software providers means we can provide faster production, reduced errors and a more beneficial use of your staff resources.

Quality Assurance

Our state-specific quality-assurance procedures reduce errors and processing time. We review the details to catch any issues or missing information before providing you with a complete report, so you no longer have to make numerous follow-up phone calls to get the information you need.

Proactive Reporting

We deliver daily progress reports directly to you. Our reporting is detailed to keep you informed every step of the way, so you will know where we are in the process with every request.
